

# PHYSICAL HEALING MINISTRY 2 SYLLABUS SAMPLE

Certified by the Apostolic Network of Global Awakening  
and  
The Institute of Applied Theology of United Theological Seminary

Welcome to the **Christian Healing Certification Program** (CHCP) provided and sponsored by Global Awakening (GA). Physical Healing Ministry is one of three certification courses offered by GA, the other two being: deliverance and inner healing (referred to throughout the history of the Church more often as “Soul Care”). These courses are provided to equip the body of Christ in areas of healing ministry.

This second course in physical healing will focus on the three primary areas listed below.

Students will be exposed to three primary areas:

1. Scriptural examples of how Jesus healed in the Gospels.
2. Christian healing versus new age and other methods of healing.
3. Cessationism: what is it, where did it come from, and why some believe it is a doctrinal system that has had a negative impact upon the Church and contains inconsistencies that severely damage its credibility biblically.

**Recommended Optional Reading:**

Ruthven, Jon. *On the Cessation of the Charismata: The Protestant Polemic on Post-Biblical Miracles*. Tulsa, OK: Word & Spirit Press, 2011.

**Required Activities:**

**Words of Knowledge** – The student will submit a total of three case study reports after giving three words of knowledge for physical healing. These reports will be submitted once a week for weeks 6-8. Submission over four weeks allows students to receive encouragement from their instructor and peers throughout the course. These words should be presented directly to people they minister to using the model learned from their course work. Students should document the words given, their accuracy, and the results.

**Five Step Prayer Model** – The student will pray for three people directly for physical healing during their eight week semester. Students will submit a total of three case study reports after using the five step prayer model. These reports will be submitted once a week for weeks 6-8. Their ministry should use the model learned from their course work. Student should document these prayer times and results of the healing prayers.

**Case Study Guidelines:**

Case studies for words of knowledge and five step prayer model may be presented in the same document if the word of knowledge and five step prayer model are used for the same person. If two different people are involved, please prepare separate documents (one per person). Each document should be in Microsoft Word 2003 or higher. Font should be Times New Roman, and font size should be 12. Each case study should be about 2 pages single-spaced.
